Published Date: 15-Feb-2019   Deadline: **21-Feb-2019, 23:55**

Assignment: Using HTML and CSS (colors: #eeeeee, #181818, #ffffff)

The web application contains one single page; index.html.

By clicking on each link on the top left side of the application; Bikes, Best Buy, Offers, Accessories, Contact and About US; open the Google Search page.

The index.html has 4 main parts such as navigation section (six links) and two sections (one with background image and the second one with the "Add to shopping basket" button, price and star-rating) and footer with background image.
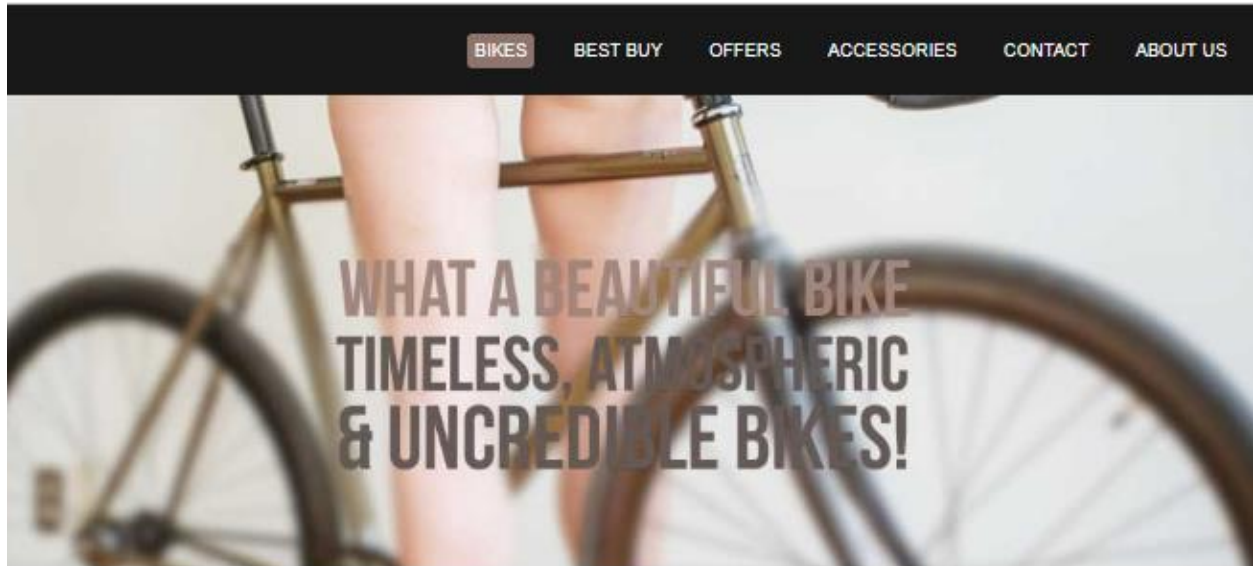

You could choose between div and sematic elements such as section, aside, article and ….

As I mentioned in class, the deadline is on February 21, 2019 at

23:55. Compress your assignment folder and rename the folder to

your FullName-Student ID

Good luck…
